Terms and Conditions of rental for TheAirbag NZ

We reserve the right, at our sole discretion, to change, modify or otherwise alter these terms and conditions at any time. Such modifications shall become effective immediately upon the posting thereof.

Payments and fees

A completed booking form is required for all TheAirbag rental sessions. All rental prices are per day unless specified and include GST. A 25% deposit is required to confirm your booking. Our account terms require full payment on or before the 20th of the month following your rental. All Accounts unpaid after 30 days of the date due will incur the highest of a \$50 or 5% penalty. An additional 2% will be added every month thereafter, that the account is unpaid.

Confirmation

The rental agreement is confirmed once a completed booking form has been received and the deposit paid.

Cancellation

- If cancelled less than 10 working days prior to the rental then the deposit is non refundable. If cancelled less than 5 working days prior to the rental then the deposit is non refundable, and you will be invoiced for the full cost of the rental. If cancelled more than 10 working days prior to the rental we will refund 50% of your deposit (or transfer the total deposit to a future function at our discretion).
- TheAirbag reserves the right to cease operation at any time, at the discretion of TheAirbag Head Operator, if the: set up arena; weather conditions; operational environment are deemed to be unsafe. In the situation that the arena has not been sufficiently prepared for safe operations as specified in these Terms and Conditions and by TheAirbag staff, full travel and incurred costs for TheAirbag will be covered by the client.

Out of town events

For events more than 2 hours away from Wanaka we will provide a travel quote, factoring in staff accommodation costs where applicable.

All Events

Every effort will be made to setup or run TheAirbag at the set time. If we are unable to reach the event site due to road closure, extreme weather, or other events outside our control, we will make every reasonable effort to postpone the rental until the next suitable opportunity.

Requirements for general TheAirbag setup site:

- The site must be no more than 20% incline
- The site must be free of debris and potential hazards.
- The site must be in a low wind hazard zone.
- Minimum set-up space for TheAirbag is 20m (65ft) long x 14m (45ft) wide
- Placement of TheAirbag to a site that is outside the range of our 4x4 vehicle will be the responsibility of the hirer, taking into consideration the care and protection of TheAirbag.
- A natural run-in is to be prepared for TheAirbag in compliance to specs provided. Run-in is to be minimum 35m (115ft) long, with approx 10m (30ft) flat section before takeoff ramp.
- For off-snow events TheAirbag will provide a standard ramp.
- For freedropping events, the cost of a dropping platform will be negotiated between TheAirbag and the booking agent.
- For all events sufficient First Aid provision must be considered with all charges to be covered by the event. In the situation of operating outside of cell phone coverage, the event organisers must provide an emergency response protocol.

Requirements for on snow TheAirbag setup:

- For mountain resort hire, snow must be a minimum of 12" deep.
- For mountain resort hire, a snow take-off ramp is to be built at the hirer's cost, a minimum of 12 hrs in advance, to allow time for the ramp to set, and to allow any hand shaping or adjustment of the ramp to take place.
- Specifications for a public, all access take-off ramp are 2m (6.5ft) height x 2m (6.5ft) wide x 4m (13ft) long. Takeoff angle to be minimum 50 degree angle. Takeoff ramp for high level team training sessions may vary from these specs, and will be advised as required.
- Mountain resorts are to provide sufficient Ski Patrol service in case of injury.
- Suitable safety fencing to be provided by resort to separate TheAirbag operating zone from open public piste areas. This will ensure the safety of all users, both TheAirbag and other resort clients.
- Three resort day lift passes are required for TheAirbag staff for each days rental.

Health and safety

All care is taken by our staff to minimise the risk of injury. All participants of TheAirbag will receive a safety briefing from our staff prior to use. The risk of injury from the activities involved in this programme is significant, including the potential for permanent paralysis and death, and while particular skills, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist.

Privacy

Personal information entered into this contract will be processed and used exclusively for processing your booking. The permanent saving and use of details for marketing purposes only takes place with your permission. This permission can be revoked for free at any time by email to info@theairbag.co.nz. TheAirbag protects the confidentiality of your details and will not sell, hire or make it available to third parties.

I/We personally guarantee prompt payment of amounts payable to theairbag.co.nz pursuant to these terms and conditions and attached booking form. I/We understand this guarantee binds me/us personally and TheAirbag may treat me/us as the principal debtor. I have read and agree to the terms and conditions on behalf of the customer.
